COMMENTS:

This bill will create a one-page joint application to temporarily qualify families for the Medi-Cal or Healthy Families Program as part of an accelerated enrollment process. The form will require the applicant to provide specific information, including the parent or guardian's income level.

The April 20, 2002, amendments deleted the provisions that would have required low-income families and individuals to give permission to a local agency or entity to obtain information from state and local agencies to verify their income.

The bill as amended no longer impacts the Franchise Tax Board since a local agency or entity will not have to receive income information directly from the department.
